

The graphic features a stylized tree on the left with a white trunk and green foliage. Above the tree is a large, wavy shape representing a sun or sky, with a color gradient from red at the top to yellow and orange. The background is a solid green color. The text 'ELGIN Gleaners' is prominently displayed in white, with 'ELGIN' in a smaller font above 'Gleaners'.

ELGIN Gleaners

We pick fruit from trees and put it to good use!

We are looking for fruit trees in St. Thomas and Elgin County to take part in our fruit tree program. If your property has a fruit tree, let us know!

We will send a team of volunteers to harvest your tree for you and you'll get a share of the fruit. The rest will be shared amongst volunteers and food programs for those in need.
